

Attachment 0002 - CLIN Price Matrix

Last Revised 9/3/2021

Attachment 0002 - CLIN Price Matrix										Last Revised	9/3/2021
Contract Number			W52P1-21-D-0007								
Offeror Cage Code:			3UME1								
BASE PERIOD - CLINS	Contract Type	Description	Unit of Issue	Base Period (Years 1-2 of Contract)	OPTION PERIOD 1 - CLINS	Ordering Period 1 (Year 3 of Contract)	OPTION PERIOD 2 - CLINS	Ordering Period 2 (Year 4 of Contract)	Inspection	Acceptance	
				Unit Price	Unit Price	Unit Price	Unit Price				
0001	Firm Fixed Price (FFP)	Cell Enabled Transponder (two way transmit)		1001	Cell Enabled Transponder (one way transmit only)		2001	Cell Enabled Transponder (one way transmit only)			
0001AA		Cell Enabled Transponder GT1020 (two-way transmission capable) Cellular NGT with minimally GSM coverage (LTE/4G w/3G/2G fallback). All costs associated with cellular NGT shall be included - 1 year of data plan, communication card (SIM/other), reporting events (configurable - default read every 2 hours while in motion and every 4 hours while at rest for 120 days), network access, activation, deactivation, etc.	EA	\$ 195.00	1001AA	\$ 197.93	2001AA	\$ 200.89	Origin	Origin	
0001AB		Cell Enabled Transponder GT1020 (two-way transmission capable) Cellular NGT with minimally GSM coverage (LTE/4G w/3G/2G fallback). All costs associated with cellular NGT shall be included - 3 years unlimited data plan, communication card (SIM/other), reporting events (configurable - default read every 2 hours while in motion and every 4 hours while at rest for 120 days), network access, activation, deactivation, etc.	EA	\$ 297.00	1001AB	\$ 301.46	2001AB	\$ 305.97	Origin	Origin	
0001AC		GT1020 VHB Bracket - VHB Bracket with tether. Includes: Qty 4 lock nuts, Surface preparation pad, Alcohol wipes, 3M™ 94 Primer, Tether.	EA	\$ 17.00	1001AC	\$ 17.40	2001AC	\$ 17.75	Origin	Origin	
0001AD		GT1020 Magnet Mounts - Magnet kit with tether for mounting	EA	\$ 19.00	1001AD	\$ 19.40	2001AD	\$ 19.75	Origin	Origin	
0001BA		Cell Enabled Solar Transponder GT1200 (two-way transmission capable) Cellular NGT with minimally GSM coverage (LTE/4G w/3G/2G fallback). All costs associated with cellular NGT shall be included - 1 year of data plan, communication card (SIM/other), reporting events (configurable - default read every 2 hours while in motion and every 4 hours while at rest for 120 days), network access, activation, deactivation, etc.	EA	\$ 285.00	1001BA	\$ 289.00	2001BA	\$ 293.50	Origin	Origin	
0001BB		Cell Enabled Solar Transponder GT1200 (two-way transmission capable) Cellular NGT with minimally GSM coverage (LTE/4G w/3G/2G fallback). All costs associated with cellular NGT shall be included - 3 years unlimited data plan, communication card (SIM/other), reporting events (configurable - default read every 2 hours while in motion and every 4 hours while at rest for 120 days), network access, activation, deactivation, etc.	EA	\$ 387.00	1001BB	\$ 393.00	2001BB	\$ 399.00	Origin	Origin	
0001BC		GT1200 Magnet Mounts - Magnet kit with tether for mounting	EA	\$ 20.00	1001BC	\$ 20.50	2001BC	\$ 21.00	Origin	Origin	
0002	FFP	Satellite Enabled Transponder (two way transmit capable)		1002	Satellite Enabled		2002	Satellite Enabled			
0002AA		Satellite Enabled Solar Transponder - AssetPack (two-way transmission)	EA	\$ 634.75	1002AA	\$ 644.27	2002AA	\$ 653.93	Origin	Origin	
0002AB		Satellite Enabled Solar Transponder - AssetPack (two-way transmission) Satellite NGT with minimally Iridium constellation coverage. All costs associated with satellite NGT shall be included - Unlimited reporting - 3 year of data plan, communication card (SIM/other), reporting events (configurable - default read every 2 hours while in motion and every 4 hours while at rest for 120 days), network access, activation, deactivation, etc.	EA	\$ 832.75	1002AB	\$ 845.24	2002AB	\$ 857.92	Origin	Origin	
0002AC		AssetPack Mounting Bracket - Standard Cage. Standard Protective Cage - Use with CLIN 0002A and CLIN 0003A	EA	\$ 47.00	1002AC	\$ 48.00	2002AC	\$ 49.00	Origin	Origin	
0002AD		AssetPack Mounting Bracket - Flat Bracket - Multi-purpose lat mounting bracket kit for screwed or bolted asset installs. Kit includes bracket, VHB for terminal to bracket install	EA	\$ 35.00	1002AD	\$ 35.50	2002AD	\$ 36.25	Origin	Origin	
0002AE		AssetPack Mounting Bracket - Flat Mag Mount Bracket - Multi-purpose flat mounting bracket kit for magnet mount asset installs. Kit includes bracket, VHB for terminal to bracket install flat magnet mounting bracket, pads to prevent sliding and mounting magnets	EA	\$ 43.00	1002AE	\$ 44.00	2002AE	\$ 45.00	Origin	Origin	
0003	FFP	Hybrid (Cell and Satellite) Enabled Transponder (two-way transmission capable)		1003	Hybrid (Cell and Satellite) Enabled Transponder		2003	Hybrid (Cell and Satellite) Enabled Transponder			
0003AA		Hybrid (Cell and Satellite) Enabled Solar Transponder - AssetPack (two-way transmission)	EA	\$ 724.50	1003AA	\$ 735.37	2003AA	\$ 746.40	Origin	Origin	
0003AB		Hybrid (Cell and Satellite) Solar Enabled Transponder - AssetPack (two-way transmission) Cellular NGT with minimally GSM coverage (LTE/4G w/3G/2G fallback). All costs associated with NGT shall be included - unlimited reporting 3 years of data plan, communication card (SIM/other), reporting events (configurable - default read every 2 hours while in motion and every 4 hours while at rest for 120 days), network access, activation, deactivation etc.	EA	\$ 970.50	1003AB	\$ 985.06	2003AB	\$ 999.84	Origin	Origin	
Additional Data Plan											
0004	FFP	Cellular NGT		1004	Cellular NGT		2004	Cellular NGT			
0004AA		Cellular NGT - Cellular NGT with minimally GSM coverage (LTE/4G w/3G/2G fallback). All costs associated with cellular NGT shall be included - communication card (SIM/other), reporting events (read every 2 hour while in motion and every 4 hours while at rest for 180 days), network access, commissioning, decommissioning, etc.	EA	\$ 30.00	1004AA	\$ 30.45	2004AA	\$ 30.91	Origin	Origin	
0004AB		Cellular NGT - Cellular NGT with minimally GSM coverage (LTE/4G w/3G/2G fallback). All costs associated with cellular NGT shall be included - communication card (SIM/other), reporting events (read every 2 hour while in motion and every 4 hours while at rest for 365 days), network access, commissioning, decommissioning, etc.	EA	\$ 60.00	1004AB	\$ 60.90	2004AB	\$ 61.82	Origin	Origin	
0004AC		Cellular NGT - Cellular NGT with minimally GSM coverage (LTE/4G w/3G/2G fallback). All costs associated with cellular NGT shall be included - communication card (SIM/other), reporting events (read every 2 hour while in motion and every 4 hours while at rest for 730 days), network access, commissioning, decommissioning, etc.	EA	\$ 120.00	1004AC	\$ 121.80	2004AC	\$ 123.63	Origin	Origin	
0005	FFP	Satellite NGT		1005	Satellite NGT		2005	Satellite NGT			
0005AA		Satellite NGT - Satellite NGT with minimally Iridium constellation coverage. All costs associated with satellite NGT shall be included - communication card (SIM/other), reporting events (read every 2 hour while in motion and every 4 hours while at rest for 180 days), network access, commissioning, decommissioning, etc.	EA	\$ 54.00	1005AA	\$ 54.81	2005AA	\$ 55.64	Origin	Origin	
0005AB		Satellite NGT - Satellite NGT with minimally Iridium constellation coverage. All costs associated with satellite NGT shall be included - communication card (SIM/other), reporting events (read every 2 hour while in motion and every 4 hours while at rest for 365 days), network access, commissioning, decommissioning, etc.	EA	\$ 108.00	1005AB	\$ 109.62	2005AB	\$ 111.27	Origin	Origin	
0005AC		Satellite NGT - Satellite NGT with minimally Iridium constellation coverage. All costs associated with satellite NGT shall be included - communication card (SIM/other), reporting events (4 reads per day for 730 days), network access, commissioning, decommissioning, etc.	EA	\$ 216.00	1005AC	\$ 219.24	2005AC	\$ 222.53	Origin	Origin	
0006	FFP	Cellular / Satellite (Hybrid) NGT		1006	Cellular / Satellite (Hybrid) NGT		2006	Cellular / Satellite (Hybrid) NGT			
0006AA		Cellular / Satellite (Hybrid) NGT - Cellular/satellite NGT with minimally GSM (LTE 4G w/3G/2G fallback)/Iridium coverage. All costs associated with cellular/satellite NGT shall be included - communication card (SIM/other), reporting events (read every 2 hour while in motion and every 4 hours while at rest for 180 days), network access, commissioning, decommissioning, etc.	EA	\$ 66.00	1006AA	\$ 66.00	2006AA	\$ 67.99	Origin	Origin	
0006AB		Cellular / Satellite (Hybrid) NGT - Cellular/satellite NGT with minimally GSM (LTE 4G w/3G/2G fallback)/Iridium coverage. All costs associated with cellular/satellite NGT shall be included - communication card (SIM/other), reporting events (read every 2 hour while in motion and every 4 hours while at rest for 365 days), network access, commissioning, decommissioning, etc.	EA	\$ 132.00	1006AB	\$ 132.00	2006AB	\$ 135.99	Origin	Origin	
0006AC		Cellular / Satellite (Hybrid) NGT - Cellular/satellite NGT with minimally GSM (LTE 4G w/3G/2G fallback)/Iridium coverage. All costs associated with cellular/satellite NGT shall be included - communication card (SIM/other), reporting events (read every 2 hour while in motion and every 4 hours while at rest for 730 days), network access, commissioning, decommissioning, etc.	EA	\$ 264.00	1006AC	\$ 264.00	2006AC	\$ 271.98	Origin	Origin	
0007	FFP	Battery		1007	Battery		2007	Battery			
0007AA		Battery	EA	\$ -	1007AA	\$ -	2007AA	\$ -			

0007AB		Battery Charger (single Charge) -for use with AssetPack CLIN 0002A and CLIN 0003A	EA	\$	40.00	1007AB	\$	40.60	2007AB	\$	41.21					
0007AC		Battery Charger (Multiple Charge) - for use with GT1020 CLIN0001A	EA	\$	80.00	1007AC	\$	81.20	2007AC	\$	82.42					
0007AD		3-Wire Cable, Blunt Cut, 3.5m for GT1020	EA	\$	15.00	1007AD	\$	15.30	2007AD	\$	15.60
