

## AMIS pRFID-III Contract Products Snapshot

This pRFID-III Contract Products Snapshot is an abbreviated presentation of the product offerings by GDIT. All CLINS correspond directly to referenced PWS requirements. The pricing displayed is the published not to exceed price for each item. Requesting a quote for a product order may result in discount pricing. For complete, detailed contract and product information visit both the AMIS website and the product provider's website for items such as the Ordering Guide, Product specification sheets, Software/firmware drivers, and more.  
 All product offerings are subject to change due to technological progression and product obsolescence. AMIS is at <https://www.ait.army.mil> or [https://usarmyamis.army.mil/Contracts\\_pRFIDIII.html](https://usarmyamis.army.mil/Contracts_pRFIDIII.html)
