The purpose of modification W52P1J-14-D-0014/P0023 is as follows:

1. To extend Contract W52P1J-14-D-0014 while a follow contract is awarded. This extension is for a maximum of one year with a period of performance from 8 April 2019 through 7 April 2020. If a follow on contract is awarded during this period of performance this contract shall be terminated for convenience.
2. Funding is not required as this is a de-centralized contract for which Ordering Contracting Officers can award delivery orders based on their customers requirements. All funding for the extension period will be obligated on a delivery/task order basis.
3. The following unfunded CLINS are extended for this extension period:
