Kind of Contract: Service Contracts
Type of Business: Large Business Performing in U.S.
Surveillance Criticality Designator: C
Contract Expiration Date: 2015JAN23

*** End of Narrative A0000 ***

The purpose of this modification is to do the following:

1. To extend the Period of Performance of contract W91QUZ-09-D-0042 for an additional two (2) month extension for the ordering of hardware, software, and services SLINs only (SLINs 1001AA through 1069AA) from 24 January 2015 through 23 March 2015 with the option to exercise an additional one (1) month, commencing on 24 March 2015 through 23 April 2015, if needed. This extension will be incorporated into the contract at no additional cost to the Government.

As a result of this modification, both parties mutually agree to utilize the previously established pricing from Option Period One for SLINs 1001AA through 1069AA for a two (2) month period, with the option to exercise an additional one (1) month extension of the option one (1) ordering period. This two (2) month extension, with the option to exercise an additional one (1) month, is not for the Maintenance SLINs as the Government exercised Option Period 2 for four (4) years of maintenance (SLINs 2081AA through 2083BD) from 24 July 2014 to 23 July 2018 on 10 July 2014 via modification P00025.

2. Except as provided by this modification, all terms and conditions of this contract remain unchanged and in full force and effect throughout the two (2) month, with the option to exercise an additional one (1) month extension.

*** END OF NARRATIVE A0012 ***
